About Andrea Pitcher.....

Andrea Pitcher was raised in a godly Christian home and came to know Christ as her Savior as a young child. She surrendered to missions at a young age and knew God's calling was on her life.

Andrea has a Master's degree in clinical psychology and a minor in Christian counseling. After graduation, she went to serve as a missionary in Europe during the historic summer marking the fall of the Iron Curtain. In Germany, she met and married her husband, Ken. They have spent their entire married life in Europe serving first in Germany and then moving to the Czech Republic in 1994. Ken and Andrea have four children, Nicholas (16), Zachary (15), Nathan (13) and Grace (12). They serve with Josiah Venture, a mission that trains youth pastors and young leaders in 12 Eastern European countries.

The Pitchers have returned to the United States after spending 20 years in Europe and turning over their local church and Bible institute in the Czech Republic to national leaders. Ken's role is now expanded as a church planting coach in Europe and will entail extensive travel while Andrea and their children will stay in the Rochester area.

Andrea loves to teach God's Word in a way that is practical and meets the needs of our hearts. She loves to meet God's people anywhere in the world and looks forward to sharing life and God's Word with you today!

**"SURRENDER
To
LOVE"**

People often come to salvation in Christ, experience immediate growth and change as new believers but after a short time, they grow stagnant and change seems to stop. Learning the Biblical concept of surrendering to love is the bridge between the salvation experience and life transformation.

*This day will bring your heart closer to Christ and give you a challenge you might not have heard before. Change and transformation is possible when we **"Surrender to Love"**.*

**Spend a day in the Word of God
being drawn to God's heart.
We trust you will be richly blessed!**
