The Stephen Ministry team will be considering the subject of Caring for People before, during and after hospitalization this week. JESUS' TRUE FAMILY

Mark 3:31-35

February 5, 2012

Pastor Matt Fletcher

Transforming Truth: Jesus' true family are His disciples -- those who sit at His feet and do the will of God.

1. Jesus belonged to a family (vv. 31-32).

2. Jesus began a new family (vv. 33-35).

a. the critical question (means of instruction)

b. the crucial quality (means of identification)

God's family, which comes into being by regeneration, is more central and more lasting than the human family that comes into being by procreation.

- John Piper

Community Group Discussion

February 5, 2012

1. As you think about the relational dynamics that existed between Jesus and His physical family, how does this comfort and encourage you in your own family relationships?
2. Jesus said that “whoever does the will of God” is part of His true family. What does it mean to do the will of God? How does this relate to salvation by grace, as opposed to works? (See Ephesians 2:8-10; Philippians 2:12-13; Titus 2:11-14)
3. In what ways has your Community Group reflected healthy family relationships within the body of Christ? Have you yourself become a member of God's family by receiving Jesus Christ as Lord and Savior? (If not, let us help you!)
4. In what ways does church membership reflect one's commitment to his or her church family?
5. It's been said that a chain is only as strong as its weakest link. In what way(s) can you grow in your commitment to your church family? What step(s) will you take to make this happen?
