Pray for **Bernie & Rosamond Kelly** at Emeritus at Perinton Park Manor, 7 Chardonnay Drive, Fairport 14450

Pray for **Lydia Maianu** as she has not been feeling well.

Missionary Family

Joseph & Danielle Contreras, Spain: PTL the inspection last Fri. went well. Their multipurpose room needs an isolated floor. Their building planner will be preparing the details of this work and an estimate of the cost. **Pray** that they will continue to find wisdom and guidance as they consider opening up publicly one side of their building until the renovations to the multipurpose room on the other side are done. **Pray** as their numbers in services have dropped very low. **Pray** for their testimony and relationship with their neighbors who live above their storefronts.

Lee & Joanne Freace, CrossWorld, Ireland: PTL Lee passed his NYS driving test. Also, their trip to Greene, NY this past weekend was a lovely time of fellowship with the saints at Berean Bible Church. Thanks for **praying!** Continue to **pray** for Joanne – for healing on her arm and that she will be able to take her driving test next week. **Pray** for them as they travel to Ft. Ann, NY this weekend to visit another supporting church and for those who attended the MCC camps in Ireland – that the message they heard from God's Word would take root in their hearts and lives.

Steve & Pat Mosely, TEAM, Portugal: Steve & Pat thank God for the opportunities to share the gospel in Braga, a city of 180,000 people. **Pray** for those who hear the gospel to have open and receptive hearts and for the unbelievers they have in their home, especially for Ira, Amelia, Cristina, Miguel and others who are seeking to know more about God. **Pray** for the country wide evangelistic campaign called "My Hope – Portugal." Evangelistic messages will be aired on a national TV channel Dec. 8, 9, and 10. **Pray** for the small group study on freedom in Christ and especially for Alice & Paulo to implement these spiritual realities in their lives. Steve & Pat are thankful for their coworkers in the university ministry, Leandro & Priscilla who are planning to be in Braga by the end of the year. **Pray** God guides and blesses their transition from Brazil.

Bill & Lori Smith, ABWE, PNG: PTL God is working in the village calming hearts and bringing safety for Kure and other believers. **Pray** for safety for the believers and wisdom as to what to do with the monetary demand for compensation in all of this mess. God continues to work in the clinic outreach. **PTL** for the amazing healing of Suki & Steven. **Pray** for full function of their limbs and God to use this to bring them to Himself. **Pray** for their family: Rachel and her pregnancy, John & Rebecca as John still needs a job, Ruthann as she works in special events at PCC and the busy time the week of Thanksgiving. She will need extra strength for all the events.

Bob & Janie Till, GEM, CO: PTL the team of doctors and professionals in a former Yugoslavian republic that we **prayed** for report that they were able to speak at 10 meetings to 1,000 people. One village mayor made a profession of faith. The Minister of Education is open to more opportunities. The team in Athens investigating ministry opportunities got off to a rough start with the theft of passports and cell phones. **Pray** for their continued safety and vision for ministry there. After years of productive ministry in Bulgaria, GEM's missionaries' visas have been denied and they must leave by the end of the month. **Pray** for the decision to be reversed.
